Planning Information for Economic Development

Welcome to Abingdon, Virginia, the County seat for Washington County, rich in performing and visual arts. Founded in 1778, Abingdon is the oldest English-speaking settlement west of the Blue Ridge Mountains. The original name of Abingdon was Wolf Hills, given by the legendary Daniel Boone. The oldest building (1779) now houses The Tavern, a fine dining restaurant. Abingdon is home to the historic Barter Theatre, the state Theatre of Virginia which started the careers of Gregory Peck, Ernest Borgnine, and many others. The Crooked Road, Virginia's Music Heritage Trail, a 300-mile driving trail that features world class music venues, also passes through Abingdon. The Virginia Creeper Trail is a 35-mile-long trail that runs from Abingdon to Damascus to Whitetop Mountain, and is used for hiking, biking, and horseback riding. In 2014 The Creeper Tail was inducted into the Rail-Trail Hall of Fame. Take a shuttle to Whitetop and enjoy the first 17 miles downhill through the Jefferson National Forest. Visit the Abingdon Muster Grounds, the historic gathering place of volunteer militia as they prepared for the march to the Battle of Kings Mountain. Stroll through the downtown district with brick sidewalks and tree-lined streets that entice visitors to explore unique shops, restaurants, and cafes. Abingdon is a place where old-fashioned southern hospitality is abundant.

Abingdon is easily accessible from three different exits on I-81 (19,17,14) or from several state routes including scenic routes 11 and 58. Abingdon is located just 15 miles from the Virginia-Tennessee border in the beautiful Blue Ridge Mountains of Virginia. It is quick, easy and totally worth the drive and is located near many other cities of interest.

Washington County, VA

Washington County was formed in December 1776. At that time Washington County included parts of Smyth, Russell, Lee, Scott, Tazewell, Wise, Buchanan, and Dickenson Counties, but it lost most of its territory in 1786 when Russell County was formed. The county is bordered by Smyth, Russell, Scott, and Grayson counties, and the independent City of Bristol Virginia. Four towns also make up Washington County they are Abingdon, Damascus, Glade Spring, and Saltville. The county has abundant recreational opportunities such as South Holston Lake, the Appalachian Trail, the Virginia Creeper Trail, Hidden Valley Lake and the Clinch Mountain Wildlife Management Area.

Town of Damascus

Damascus, Virginia, is a small town in the Blue Ridge Mountains, and is the gateway to the Mount Rogers National Recreation Area.

It is traversed by the Appalachian Trail, the Virginia Creeper Trail, the Trans-America National Bicycle Trail, the Iron Mountain Trail, the Daniel Boone Heritage Tail, the Crooked Road Musical Heritage Trail, Virginia's Birding and Wildlife Trail, and lies within a short distance of hundreds of miles of other hiking, horse, and biking trails.

The town is becoming a major tourist destination for those seeking a way into the wilderness. We invite you to visit us, sit on the porch of one of our bed and breakfasts, ride a bike through our forests, walk beside a mountain stream, and make yourself at home.

Town of Glade Spring

The Town of Glade Spring, Virginia, expresses great beauty through its history, its neighborhoods and its caring people. As is the case with many small communities, Glade Spring welcomes you warmly. But this community will do more than make you feel at home; it will give you an opportunity to express yourself. Located along Interstate 81 at Exit 29, Glade Spring finds itself in two worlds -- a world of commerce, new faces and new opportunities and a world of traditions, families and friendships. During the last few decades, these two worlds have increasingly shaped one another in a very positive way. Glade Spring grows as a community that builds on its values in the context of new ideas and new faces.

Glade Spring is in the throes of a major revitalization of its core commercial district, also known as Town Square. The first phase of the two-phase project has been largely completed resulting in the elimination of blight and the renovation or restoration of most downtown structures. New businesses have been added thanks in large part to the attraction of visitors to the town by the Town Square Center for the Arts, an artisan incubator facility that includes, among other art forms, a pottery facility, and the relocation and expansion of the Glade Spring Library to the Town Square. Additional business growth is expected as phase two of the revitalization plan nears completion. This portion of the project includes the construction of an indoor-outdoor farmer's market pavilion (to be completed during the summer of 2017) and the extension of the Salt Trail, a 14-mile hiking and biking trail, into the Town Square (to be completed by summer of 2018).

What business entity are you?

C Corp: A C corporation is a legal structure that businesses can choose to organize themselves under to limit their owners' legal and financial <u>liabilities</u>. Limited Liability Corporation (LLC): An LLC is designed to provide the limited liability features of a corporation and the tax efficiencies and operational flexibility of a partnership.

Sole Proprietorship: A sole proprietorship is the most basic type of business to establish. You alone own the company and are responsible for its assets and liabilities.

S Corp: An S Corporation is like a C Corp but you are taxed only on the personal level.
